Application Number: **15/07487/FUL**
Registered Date: 24 December 2015

TOWN AND COUNTRY PLANNING ACT 1990

GRANT OF PLANNING PERMISSION

TAKE NOTICE that the Barnet London Borough Council, in exercise of its powers as Local Planning Authority under the above Act, hereby:

GRANTS PLANNING PERMISSION for:

**Construction of a 4 storey building to accommodate synagogue with community facilities at basement, ground and first floor levels, 2No. flats at second floor level, installation of solar panels on roof and associated parking for 8No. cars following demolition of existing house and community centre (synagogue).
(AMENDED DESCRIPTION)**

At: 185-187 Golders Green Road, London, NW11 9BY

as referred to in your application and shown on the accompanying plan(s):
Subject to the following condition(s):

- 1 The development hereby permitted shall be carried out in accordance with the following approved plans: GGR_P02b; GGR_P03b; GGR_P00b; GGr_P01b; Design and Access Statement, Signed Unilateral Undertaking dated 14/07/2016.

Reason: For the avoidance of doubt and in the interests of proper planning and so as to ensure that the development is carried out fully in accordance with the plans as assessed in accordance with Policies CS NPPF and CS1 of the Local Plan Core Strategy DPD (adopted September 2012) and Policy DM01 of the Local Plan Development Management Policies DPD (adopted September 2012).

- 2 This development must be begun within three years from the date of this permission.

Reason: To comply with Section 51 of the Planning and Compulsory Purchase Act 2004.

- 3 Before the development hereby permitted is first occupied or the use first commences the parking spaces/garages shown on Drawing No. GGR_P00b shall

be provided and shall not be used for any purpose other than the parking of vehicles in connection with the approved development.

Reason: To ensure that parking is provided in accordance with the council's standards in the interests of pedestrian and highway safety, the free flow of traffic and in order to protect the amenities of the area in accordance with Policy DM17 of the Development Management Policies DPD (adopted September 2012) and Policies 6.1, 6.2 and 6.3 of the London Plan 2015.

- 4 a) No development shall take place until details of the levels of the building(s), road(s) and footpath(s) in relation to the adjoining land and highway(s) and any other changes proposed in the levels of the site have been submitted to and approved in writing by the Local Planning Authority.

b) The development shall thereafter be implemented in accordance with the details as approved under this condition and retained as such thereafter.

Reason: To ensure that the development is carried out at suitable levels in relation to the highway and adjoining land having regard to drainage, gradient of access, the safety and amenities of users of the site, the amenities of the area and the health of any trees or vegetation in accordance with policies CS NPPF, CS1, CS5 and CS7 of the Local Plan Core Strategy (adopted September 2012), Policies DM01, DM04 and DM17 of the Development Management Policies DPD (adopted September 2012), and Policies 7.4, 7.5, 7.6 and 7.21 of the London Plan 2015.

- 5 a) No development other than demolition works shall take place until details of the materials to be used for the external surfaces of the building(s) and hard surfaced areas hereby approved have been submitted to and approved in writing by the Local Planning Authority.

b) The development shall thereafter be implemented in accordance with the materials as approved under this condition.

Reason: To safeguard the character and visual amenities of the site and wider area and to ensure that the building is constructed in accordance with Policies CS NPPF and CS1 of the Local Plan Core Strategy (adopted September 2012), Policy DM01 of the Development Management Policies DPD (adopted September 2012) and Policies 1.1, 7.4, 7.5 and 7.6 of the London Plan 2015.

- 6 The premises shall be used for a synagogue on the basement, ground and first floors and its ancillary activities and for no other purpose (including any other purpose in Class D1) and for residential units at second floor (Class C3) of the Schedule to the Town and Country Planning (Use Classes) Order, 1987, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, with or without modification).

Reason: To enable the Local Planning Authority to exercise control of the type of use within the category in order to safeguard the amenities of the area.

- 7 a) The site shall not be brought into use or first occupied until details of the means of enclosure, including boundary treatments, have been submitted to and approved in writing by the Local Planning Authority.

b) The development shall be implemented in accordance with the details approved as part of this condition before first occupation or the use is commenced and retained as such thereafter.

Reason: To ensure that the proposed development does not prejudice the appearance of the locality and/or the amenities of occupiers of adjoining residential properties and to confine access to the permitted points in the interest of the flow of traffic and conditions of general safety on the adjoining highway in accordance with Policies DM01, DM03, DM17 of the Development Management Policies DPD (adopted September 2012), and Policies CS NPPF and CS1 of the Local Plan Core Strategy (adopted September 2012).

- 8 a) Notwithstanding the details submitted with the application and otherwise hereby approved, no development other than demolition works shall take place until details of (i) A Refuse and Recycling Collection Strategy, which includes details of the collection arrangements and whether or not refuse and recycling collections would be carried out by the Council or an alternative service provider, (ii) Details of the enclosures, screened facilities and internal areas of the proposed building to be used for the storage of recycling containers, wheeled refuse bins and any other refuse storage containers where applicable, and (iii) Plans showing satisfactory points of collection for refuse and recycling, have been submitted to and approved in writing by the Local Planning Authority.

b) The development shall be implemented and the refuse and recycling facilities provided in full accordance with the information approved under this condition before the development is first occupied and the development shall be managed in accordance with the information approved under this condition in perpetuity once occupation of the site has commenced.

Reason: To ensure a satisfactory appearance for the development and satisfactory accessibility; and to protect the amenities of the area in accordance with Policy CS14 of the Local Plan Core Strategy (adopted September 2012), Policy DM01 of the Development Management Policies DPD (adopted September 2012) and the Sustainable Design and Construction SPD (adopted April 2013).

- 9 No construction work resulting from the planning permission shall be carried out on the premises at any time on Sundays, Bank or Public Holidays, before 8.00 am or after 1.00 pm on Saturdays, or before 8.00 am or after 6.00pm pm on other days.

Reason: To ensure that the proposed development does not prejudice the amenities of occupiers of adjoining residential properties in accordance with policy DM04 of the Development Management Policies DPD (adopted September 2012).

- 10 a) No development other than demolition works shall take place until details of all extraction and ventilation equipment to be installed as part of the development, including a technical report have been submitted to and approved in writing by the Local Planning Authority. The equipment shall be installed using anti-vibration mounts. The report shall include all calculations and baseline data, and be set out so that the Local Planning Authority can fully audit the report and critically analyse the content and recommendations.

b) The development shall be implemented in accordance with details approved under this condition before first occupation or the use is commenced and retained as such thereafter.

Reason: To ensure a satisfactory appearance for the development and satisfactory accessibility; and to protect the amenities of the area in accordance with Policy DM04 of the Development Management Policies DPD (adopted September 2012) and Policy CS13 of the Local Plan Core Strategy (adopted September 2012).

11 a) A scheme of hard and soft landscaping, including details of existing trees to be retained and size, species, planting heights, densities and positions of any soft landscaping, shall be submitted to and agreed in writing by the Local Planning Authority before the development hereby permitted is commenced.

b) All work comprised in the approved scheme of landscaping shall be carried out before the end of the first planting and seeding season following occupation of any part of the buildings or completion of the development, whichever is sooner, or commencement of the use.

c) Any existing tree shown to be retained or trees or shrubs to be planted as part of the approved landscaping scheme which are removed, die, become severely damaged or diseased within five years of the completion of development shall be replaced with trees or shrubs of appropriate size and species in the next planting season.

Reason: To ensure a satisfactory appearance to the development in accordance with Policies CS5 and CS7 of the Local Plan Core Strategy DPD (adopted September 2012), Policy DM01 of the Development Management Policies DPD (adopted September 2012), the Sustainable Design and Construction SPD (adopted April 2013) and 7.21 of the London Plan 2015.

12 a) No development other than demolition works shall take place on site until a noise assessment, carried out by an approved acoustic consultant, which assesses the likely impacts of noise on the development and measures to be implemented to address its findings has been submitted to and approved in writing by the Local Planning Authority. The report shall include all calculations and baseline data, and be set out so that the Local Planning Authority can fully audit the report and critically analyse the content and recommendations

b) The measures approved under this condition shall be implemented in their entirety prior to the commencement of the use/first occupation of the development and retained as such thereafter.

Reason: To ensure that the amenities of occupiers are not prejudiced by rail and/or road traffic and/or mixed use noise in the immediate surroundings in accordance with Policy DM04 of the Development Management Policies DPD (adopted September 2012), the Sustainable Design and Construction SPD (adopted April 2013) and 7.15 of the London Plan 2015.

13 a) No development shall take place until details of mitigation measures to show how the development will be constructed so as to provide sufficient air borne and structure borne sound insulation against internally/externally generated noise and

vibration has been submitted to and approved in writing by the Local Planning Authority.

This sound insulation shall ensure that the levels of noise generated from the synagogue; as measured within habitable rooms of the development shall be no higher than 35dB(A) from 7am to 11pm and 30dB(A) in bedrooms from 11pm to 7am.

The report shall include all calculations and baseline data, and be set out so that the Local Planning Authority can fully audit the report and critically analyse the content and recommendations.

b) The mitigation measures as approved under this condition shall be implemented in their entirety prior to the commencement of the use or first occupation of the development and retained as such thereafter.

Reason: To ensure that the proposed development does not prejudice the amenities of occupiers of the residential properties in accordance with Policies DM04 of the Development Management Policies DPD (adopted September 2012), the Sustainable Design and Construction SPD (adopted April 2013) and 7.15 of the London Plan 2011.

14 a) Prior to the first occupation of the new dwellinghouse(s) (Use Class C3) hereby approved they shall all have been constructed to have 100% of the water supplied to them by the mains water infrastructure provided through a water meter or water meters and each new dwelling shall be constructed to include water saving and efficiency measures that comply with Regulation 36(2)(b) of Part G 2 of the Building Regulations to ensure that a maximum of 110 litres (including a fixed factor of water for outdoor use of 5 litres/ person/ day) of water is consumed per person per day. The development shall be maintained as such in perpetuity thereafter.

b) Notwithstanding the details shown in the drawings submitted and otherwise hereby approved, prior to the first occupation of the new dwellinghouse(s) (Use Class C3) permitted under this consent they shall all have been constructed to meet and achieve all the relevant criteria of Part M4(2) of Schedule 1 to the Building Regulations 2010 (or the equivalent standard in such measure of accessibility and adaptability for house design which may replace that scheme in future). The development shall be maintained as such in perpetuity thereafter.

c) Prior to the first occupation of the development hereby approved it shall be constructed incorporating carbon dioxide emission reduction measures which achieve an improvement of not less than 25% in carbon dioxide emissions when compared to a building constructed to comply with the minimum Target Emission Rate requirements of the 2010 Building Regulations. The development shall be maintained as such in perpetuity thereafter.

Reason: To encourage the efficient use of water in accordance with policy CS13 of the Barnet Core Strategy (2012) and policy 5.15 of the London Plan (2015). To ensure the development meets the needs of its future occupiers and to comply with the requirements of policies 3.8, 7.2 and 7.6 of the London Plan (2015) and policies DM02 and DM03 of the Barnet Development Management Policies document (2012). To ensure that the development is sustainable and minimises carbon

dioxide emissions and to comply with the requirements of policies DM01 and DM02 of the Barnet Development Management Policies document (2012) and policies 5.2 and 5.3 of the London Plan (2015).

- 15 Provisions shall be made within the site to ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway.

Reason: To ensure that the development does not cause danger and inconvenience to users of the adjoining pavement and highway.

- 16 A scheme for acoustic fencing along the boundary with 183 & 189 Golders Green Road shall be submitted in writing and approved by the Local Planning Authority prior to development. This scheme shall be fully implemented before the development hereby permitted is brought into use.

Reason: To ensure that the proposed development does not prejudice the enjoyment of the occupiers of their homes in accordance with Policy DM04 of the Development Management Policies DPD (adopted September 2012) and Policy 7.15 of the London Plan 2011.

- 17 The area shown as 'garden' on drawing GGR_P01b shall be used for the following purposes only:

1. use by the occupiers of the residential units
2. break area during prayer services for no more than 35 persons
3. any emergency access/use
4. 'Bircath Lebana' purposes

All other uses ancillary to the synagogue shall be contained within the building.

Reason: To ensure that there is no noise disturbance to adjacent residential neighbours.

- 18 First floor windows at the synagogue shall always be closed and the ground floor windows of the synagogue facing south west towards residential properties at The Grove shall remain closed at all times with the exception of:

1. break area during prayer services
2. any emergency access/use
3. 'Bircath Lebana' purposes

Reason: To ensure that there is no noise disturbance to adjacent residential neighbours.

- 19 No deliveries shall be taken at or dispatched from the site on any Sunday, Bank or Public Holiday or before 8am or after 6pm on any other day.

Reason: To prevent the use causing an undue disturbance to occupiers of adjoining residential properties at unsocial hours of the day.

20 a) No development other than demolition works shall take place until a scheme indicating the provision to be made for disabled people to gain access to the development has been submitted to and approved in writing by the Local Planning Authority.

b) The scheme approved under this condition shall be implemented in its entirety before the first occupation of the development or commencement of the use and retained as such thereafter.

Reason: To ensure adequate access levels within the development in accordance with Policy DM03 of the Development Management Policies DPD (adopted September 2012) and Policy 7.2 of the London Plan 2015.

21 Before development commences, a report should be carried out by an approved acoustic consultant and submitted to the Local Planning Authority for approval, that assesses the likely noise impacts from the development with regards to its use as a synagogue. The report shall also clearly outline mitigation measures for the development to reduce these noise impacts to acceptable levels.

It should include all calculations and baseline data, and be set out so that the Local Planning Authority can fully audit the report and critically analyse the contents and recommendations. The approved measures shall be implemented in their entirety before (any of the units are occupied/ the use commences).

Reason: To ensure that the amenities of neighbouring premises are protected from noise from the development.

22 No site works or works on this development including demolition or construction work shall commence until a Demolition and Construction Management and Logistics Plan has been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be implemented in full accordance with the details approved under this plan. The Demolition and Construction Management and Logistics Plan submitted shall include, but not be limited to, the following information:

- i. details of the routing of construction vehicles to the site, hours of access, access and egress arrangements within the site and security procedures;
- ii. site preparation and construction stages of the development;
- iii. details of provisions for recycling of materials, the provision on site of a storage/delivery area for all plant, site huts, site facilities and materials;
- iv. details showing how all vehicles associated with the construction works are properly washed and cleaned to prevent the passage to mud and dirt onto the adjoining highway;
- v. the methods to be used and the measures to be undertaken to control the emission of dust, noise and vibration arising from construction works;
- vi. a suitable and efficient means of suppressing dust, including the adequate containment of stored or accumulated material so as to prevent it becoming airborne at any time and giving rise to nuisance;
- vii. noise mitigation measures for all plant and processors;
- viii. details of contractors compound and car parking arrangements;
- ix. Details of interim car parking management arrangements for the duration of construction;

x. Details of a community liaison contact for the duration of all works associated with the development.

Reason: To ensure that the proposed development does not prejudice the amenities of occupiers of adjoining residential properties and in the interests of highway and pedestrian safety in accordance with policies CS9, CS13, CS14, DM01, DM04 and DM17 of the Barnet Local Plan and policies 5.3, 5.18, 7.14 and 7.15 of the London Plan.

23 The synagogue shall not be occupied by more than 400 people at any one time.

Reason: To safeguard highway and pedestrian safety.

INFORMATIVE(S):

- 1 In accordance with paragraphs 186 and 187 of the NPPF, the Local Planning Authority (LPA) takes a positive and proactive approach to development proposals, focused on solutions. The LPA has produced planning policies and written guidance to assist applicants when submitting applications. These are all available on the Council's website. A pre-application advice service is also offered. The LPA has negotiated with the applicant/agent where necessary during the application process to ensure that the proposed development is in accordance with the Development Plan.
- 2 A Planning Obligation under Section 106 of the Town & Country Planning Act 1990 (as amended) relates to this permission.
- 3 In case if any modification is proposed or required to the existing access off the public highway then it will be subject to a detailed investigation by the Development and Regulatory Services. Heavy duty access may need to be provided to cater for a heavy duty use and may involve relocation of any existing street furniture. This would need to be done by the Highway Authority at the applicant's expense. You may obtain an estimate for this and any associated work on public highway from the Development and Regulatory Services, Barnet House, 1255 High Road, Whetstone N20 0EJ.

Any details submitted in respect of the Demolition and Construction Management Plan above shall control the hours, routes taken, means of access and security procedures for construction traffic to and from the site and the methods statement shall provide for the provision of on-site wheel cleaning facilities during demolition, excavation, site preparation and construction stages of the development, recycling of materials, the provision of on-site car parking facilities for contractors during all stages of development (Excavation, site preparation and construction) and the provision on site of a storage/delivery area for all plant, site huts, site facilities and materials and a community liaison contact

The applicant is advised that Golders Green Road NW11 is Traffic Sensitive Road; deliveries during the construction period should not take place between 8.00 am-9.30 am and 4.30 pm-6.30 pm Monday to Friday. Careful consideration must also be given to the optimum route(s) for construction traffic.

- 4 The applicant is advised to engage a qualified acoustic consultant to advise on the scheme, including the specifications of any materials, construction, fittings and equipment necessary to achieve satisfactory internal noise levels in this location.

In addition to the noise control measures and details, the scheme needs to clearly set out the target noise levels for the habitable rooms, including for bedrooms at night, and the levels that the sound insulation scheme would achieve.

The Council's Sustainable Design and Construction Supplementary Planning Document requires that dwellings are designed and built to insulate against external noise so that the internal noise level in rooms does not exceed 30dB(A) expressed as an Leq between the hours of 11.00pm and 7.00am, nor 30dB(A) expressed as an Leq between the hours of 7.00am and 11.00pm (Guidelines for Community Noise, WHO). This needs to be considered in the context of room ventilation requirements.

The details of acoustic consultants can be obtained from the following contacts: a) Institute of Acoustics and b) Association of Noise Consultants.

The assessment and report on the noise impacts of a development should use methods of measurement, calculation, prediction and assessment of noise levels and impacts that comply with the following standards, where appropriate:

- 1) BS 7445(2003) Pt 1, BS7445 (1991) Pts 2 & 3 - Description and measurement of environmental noise;
- 2) BS 4142:2014 - Method for rating industrial noise affecting mixed residential and industrial areas;
- 3) BS 8223: 2014 - Guidance on sound insulation and noise reduction for buildings: code of practice;
- 4) Department of Transport: Calculation of road traffic noise (1988);
- 5) Department of Transport: Calculation of railway noise (1995);
- 6) National Planning Policy Framework (2012)/ National Planning Policy Guidance (2014).

Please note that in addition to the above, consultants should refer to the most relevant and up to date guidance and codes of practice if not already listed in the above list.

- 5 The Air Quality Stage 4 Review and Assessment for the London Borough of Barnet has highlighted that this area currently experiences or is likely to experience exceedances of Government set health-based air quality standards. A list of possible options for mitigating poor air quality is as follows: 1) Use of passive or active air conditioning; 2) Use of acoustic ventilators; 3) Altering lay out so habitable rooms are sited away from source of poor air quality; 4) Non residential usage of lower floors; 5) Altering footprint by siting further away from source of poor air quality.

For developments that require an Air Quality report; the report should have regard to the air quality predictions and monitoring results from the Stage Four of the Authority's Review and Assessment available from the LPA web site and the London Air Quality Network. The report should be written in accordance with the

following guidance: 1) Environmental Protection UK Guidance: Development Control: Planning for Air Quality (2010); 2) Environment Act 1995 Air Quality Regulations; 3) Local Air Quality Management Technical Guidance LAQM.TG(09); 4) London Councils Air Quality and Planning Guidance (2007).

Please note that in addition to the above, consultants should refer to the most relevant and up to date guidance and codes of practice if not already listed in the above list.

- 6 The Community Infrastructure Levy (CIL) applies to all 'chargeable development'. This is defined as development of one or more additional units, and / or an increase to existing floor space of more than 100 sq m. Details of how the calculations work are provided in guidance documents on the Planning Portal at www.planningportal.gov.uk/cil.

The Mayor of London adopted a CIL charge on 1st April 2012 setting a rate of £35 per sq m on all forms of development in Barnet except for education and health developments which are exempt from this charge. Your planning application has been assessed at this time as liable for a £5,250 payment under Mayoral CIL.

The London Borough of Barnet adopted a CIL charge on 1st May 2013 setting a rate of £135 per sq m on residential and retail development in its area of authority. All other uses and ancillary car parking are exempt from this charge. Your planning application has therefore been assessed at this time as liable for a £20,250 payment under Barnet CIL.

Please note that Indexation will be added in line with Regulation 40 of Community Infrastructure Levy.

Liability for CIL will be recorded to the register of Local Land Charges as a legal charge upon your site payable should you commence development. Receipts of the Mayoral CIL charge are collected by the London Borough of Barnet on behalf of the Mayor of London; receipts are passed across to Transport for London to support Crossrail, London's highest infrastructure priority.

You will be sent a 'Liability Notice' that provides full details of the charge and to whom it has been apportioned for payment. If you wish to identify named parties other than the applicant for this permission as the liable party for paying this levy, please submit to the Council an 'Assumption of Liability' notice, which is also available from the Planning Portal website.

The CIL becomes payable upon commencement of development. You are required to submit a 'Notice of Commencement' to the Council's CIL Team prior to commencing on site, and failure to provide such information at the due date will incur both surcharges and penalty interest. There are various other charges and surcharges that may apply if you fail to meet other statutory requirements relating to CIL, such requirements will all be set out in the Liability Notice you will receive. You may wish to seek professional planning advice to ensure that you comply fully with the requirements of CIL Regulations.

If you have a specific question or matter you need to discuss with the CIL team, or you fail to receive a 'Liability Notice' from the Council within 1 month of this grant of planning permission, please email us at: cil@barnet.gov.uk.

Relief or Exemption from CIL:

If social housing or charitable relief applies to your development or your development falls within one of the following categories then this may reduce the final amount you are required to pay; such relief must be applied for prior to commencement of development using the 'Claiming Exemption or Relief' form available from the Planning Portal website: www.planningportal.gov.uk/cil.

You can apply for relief or exemption under the following categories:

1. Charity: If you are a charity, intend to use the development for social housing or feel that there are exception circumstances affecting your development, you may be eligible for a reduction (partial or entire) in this CIL Liability. Please see the documentation published by the Department for Communities and Local Government at https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/6314/19021101.pdf
2. Residential Annexes or Extensions: You can apply for exemption or relief to the collecting authority in accordance with Regulation 42(B) of Community Infrastructure Levy Regulations (2010), as amended before commencement of the chargeable development.
3. Self Build: Application can be made to the collecting authority provided you comply with the regulation as detailed in the legislation.gov.uk

Please visit

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil> for further details on exemption and relief.

Date of Decision: 21 July 2016

Signed:

Joe Henry
Assistant Director - Development Management & Building Control

NOTE(S):

1. Your attention is drawn to the attached Schedule which sets out the rights of an applicant who is aggrieved by a decision of the Local Planning Authority.

2. This Notice relates solely to a planning decision and does not purport to convey any approval or consent which may be required under the Building Regulations or any other statutory purpose.

For more information about making a Building Regulations application, please contact the Barnet Council Building Control team by email (building.control@barnet.gov.uk), telephone (0208 359 4500), or see our website at www.barnet.gov.uk/building-control

3. For information on Construction Site Guidelines for Householders and Developers, please visit <https://www.barnet.gov.uk/citizen-home/environmental-health/pollution/construction-information.html>
4. For details relating to Street naming and numbering, please visit <https://www.barnet.gov.uk/citizen-home/planning-conservation-and-building-control/building-control/street-naming-and-numbering.html>

APPEAL GUIDANCE:

Should you (an applicant or agent) feel aggrieved by the decision of the Council to either refuse permission or to grant permission subject to conditions, you can appeal to the Secretary of State for the Department of Communities and Local Government – Sections 78 and 195 of the Town and Country Planning Act 1990 / Sections 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990. Any such appeal must be made within the relevant timescale for the application types noted below, beginning with the date of the decision notice (unless an extended period has been agreed in writing with the Council):

- Six months: Full (excluding householder and minor commercial applications), listed building (including Certificate of Lawfulness in relation to a listed building), Section 73 'variation/removal', Section 73 'minor material amendment', extension of time and prior approval applications.
- 12 weeks: Householder planning, householder prior approval and minor commercial applications.
- 8 weeks: Advertisement consent applications
- No timescale: Certificate of lawful development (existing/proposed) applications.

Where an enforcement notice has been issued, the appeal period may be significantly reduced, subject to the following criteria:

- Where the development proposed by your application is the same or substantially the same as development that is the subject of an enforcement notice served within the last two years you must appeal within 28 days of the date of the application decision
- Where an enforcement notice is served on or after the decision date on your application relating to the same or substantially the same land and development as in your application and if you want to appeal against the Council's decision you are advised to appeal against the Enforcement Notice and to do so before the Effective date stated on the Enforcement Notice.

Appeals must be made using the prescribed form(s) of The Planning Inspectorate (PINS) obtained from www.planning-inspectorate.gov.uk or by contacting 03034445000. A copy of any appeal should be sent both to PINS and the Council.

The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are exceptional special circumstances. The Secretary of State can refuse to consider an appeal if the Council could not have granted planning permission for the proposed development or could not have granted without the conditions it imposed, having regard to the statutory requirements and provision of the Development Order and to any direction given under the Order. In practice it is uncommon for the Secretary of State to refuse to consider appeals solely because the Council based its decision on a direction given by the Secretary of State.

PURCHASE NOTICES:

If either the Local Planning Authority or the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render that land capable of a reasonable beneficial use by carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a Purchase Notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
